

1916 FCT ELECTORAL ROLL
COMMONWEALTH OF AUSTRALIA
The Military Service Referendum Act 1916

The roll was made in late 1916. Not all people resident in the FCT are on the roll and they include a number who were eligible (had to be Australian or British Citizens 21 years or over). The former area of *CANBERRA* still in use in 1913 (and prior to the formation of the FCT was Canberra NSW) has been further subdivided in this roll – Canberra & Acton. The latter area was on both sides of the Molonglo River and was named after the former property of Acton on the northside. Queanbeyan, like Canberra, is a place name and includes Oaks Estate and other areas nearby to the NSW town of Queanbeyan.

COMMONWEALTH OF AUSTRALIA
THE MILITARY SERVICE REFERENDUM ACT 1916
VOTING BY PERSONS LIVING IN THE FEDERAL CAPITAL TERRITORY WHO, IF THE TERRITORY WERE
AN ELECTORAL DIVISION IN A STATE, WOULD BE QUALIFIED TO HAVE THEIR NAMES PLACED ON
THE ELECTORAL ROLL FOR THAT DIVISION.

The Military Service Referendum Act 1916 provides that persons living in a Territory under the authority of the Commonwealth

1. who, if the Territory were an Electoral Division in a State would be qualified to have their names placed on the Electoral Roll for that Electoral Division; and
2. whose names are on the Electoral List compiled for the purpose by Prescribed Officers, or a person there to be authorized by him; and
3. who are not included in the classes of persons disqualified by the Act,

may vote at the Referendum on the subject of Military Service, to be taken on Saturday 28th October, 1916.

It is hereby notified that an Electoral List is accordingly being compiled of the persons living within the Federal Capital Territory who are qualified to vote under the above-mentioned Act.

Persons who are entitled to have their names placed on the above-mentioned Electoral List, are, therefore, requested to furnish particulars as to their Surnames, Christian names (in full,) places of living, Occupations, and sexes, to such one of the following Officers as may be most readily accessible, namely:- Works Superintendent, Canberra, Postmaster at, not later than Monday, the 10th October. 1916

The following persons are entitled to have their names placed on the list, namely:- All persons not under 21 years of age, whether male or female, married or unmarried, who

- a. have lived in Australia for six (6) months continuously; and
- b. permanently lived in the Federal Capital Territory, and have lived therein for a period of not less than one (1) month immediately preceding 6 o'clock pm on the 18th September, 1916 and
- c. are natural born or naturalized subjects of the King; and
- d. are not disqualified under the Commonwealth Franchise Act 1902, or under the Military Service Referendum Act 1916.

The Military Service Act 1916 disqualifies from voting at the Referendum.

- a. any naturalized British subject who was born in any country with which Great Britain is now at war; and unless that person produces to the Presiding Officer a certificate signed by the District Commandant, or an officer thereto authorized by him, that he, or she, is a parent of a person who has been, or is, a member of the Forces;
- b. any person who is interned in any place of internment. "Members of the Forces" means a Member of the Commonwealth Naval or Military Forces employed on Active Service outside Australia or employed on a Ship of War, and includes a Member of the Army Medical Corps Nursing Service who is accepted or appointed by the Director-General of Medical Services for service outside Australia.

Commonwealth Returning Officer
For the Federal Capital Territory
dated at Sydney this.....day of September, 1916

The above information was followed alphabetical list of people enrolled in FCT and Jervis Bay. In this particular file I have placed people in the areas. The largest population centre was Duntroon.
